Our Standard is---

SQUARENESS

Our Aim is---

SERVICE

We absolutely guarantee all Dahlias true to name and in growing condition.

TERMS:—Remittance before or at time of shipment.

Orders for less than \$2.00 not accepted. Postage prepaid on retail orders.

Selection:—We strongly advise those not familiar with merits of different Dahlias to leave the choice to us. Send in the amount you wish to spend, and we will choose the very best varieties and make special effort to please you.

You may also give an idea as to color and variety you prefer.

We have other varieties not on this list. Write us on any variety you are interested in and we will be glad to serve you.

Visitors always welcome at our gardens.

DAHLCREST GARDENS

(3 mis. east of Middletown, on Lincoln Highway)

JANE COWL, Dec.—Great massive blooms of bronzy buff and old gold with perfect center. Petals have enough twist adding much to its charm. Very strong stems holding flower in in ideal poise over bush of ideal growth. Leaves are of leathery texture. \$ 7.50

REGAL—One of the biggest western introductions having crown blooms of eleven inches or more. For such size of flowers it is an exceedingly good bloomer. Color is a combination of autumn shades, bronze, old rose shading to gold at base of petals. Stems long and rigid. Net... \$10.00

KEMP'S VIOLET WONDER—Best violet colored Dahlia to date, but not of solid color. Reverse has underlying tone of royal purple and lavender. Strong and vigorous growing plants producing exceptional amount of good tubers. Flowers on long stiff stems standing off from foliage nicely. \$ 6.00

MY MARYLAND—A grand Hybrid Cactus of delicate pink with faint tinge of lavender on stems of extra length and rigidity. Plant is very rugged. \$ 7.00

NANCY SUE LANG—A very large flowered variety. The color is bright red tipped gold. The plant is inclined to be dwarf, but stems are stiff. \$ 3.00

MR. E. LEEDHAM—A huge flower of great depth and diameter. Color is orange scarlet and does not burn in sunshine. Stems are long, carrying flower on top. Plant is tall growing and free blooming. \$ 7.00

AMARILLO GRANDE—Large Hybrid Decorative flower of light yellow. Petals are broad and center is always closed. Plant grows medium with good foliage. \$ 2.50

JUDGE SHINN—A deep chrome decorative having a yellow center. Flowers are large and of good depth on wiry, stiff stems. Large growing plant sometimes attaining a height of 8 or 9 feet. \$ 4.50

WALDEHEIM SUNSHINE—A peacock introduction that cannot be beat. A giant decorative of true deep yellow, which shown under artificial light, robs none of its rich color from it. Stems are long and stiff, holding the twisted petaled flowers at just the proper angle. Truly a prize winner. Net... \$ 7.00

RUTH HOTTEL—One of Jersey's fine introductions. A good one toned cerise, on rigid stems, holding the good sized flowers perfectly. Plant is of the low growing variety.....\$ 2.00

EAGLE ROCK JEWELL—Cream overlaid shell pink. This Hybrid Cactus is considered the most artistic dahlia ever grown, the flowers are large and borne on strong stems, produced by a vigorous and free blooming plant. Two years ago this variety sold for \$50.00 a tuber. \$ 7.00

JERSEY IDEAL—This is a deep lavender-pink decorative. Flowers are held on an ideal stem, face up, with back petals falling down, making a very deep flower. Vigorous grower and free bloomer. \$ 2.00

JEAN HARE—A strikingly attractive Hybrid Cactus of immense size. The flower, when fully opened is a beautiful golden yellow with an outer row of golden bronze petals, borne on fine stiff stems at just the proper angle. A free bloomer, medium tall, with heavy foliage. An attraction in any garden..... \$ 4.50

QUEEN OF THE GARDEN BEAUTIFUL—A wonderful immense decorative of primrose yellow, with an excellent stem on a medium growing plant. A prize winner in both the East and West, in fact wherever shown.....\$ 2.50
